

**Field Elementary School**  
**C-T Back to School Letter**  
**Aug. 2017**

Greetings from the teachers and staff at Field Elementary! Although summer has not yet ended, we are gearing up for another fantastic school year. The teachers and staff at Field Elementary have each taken time to relax and recharge and are now busy preparing rooms for the first day of school, August 17<sup>th</sup>. Long before the bell rings, numerous hours will have been spent getting everything in place for your child. We have a dedicated bunch and I know your second or third grader will enjoy learning at Field Elementary.

Our custodians, Richard Gibson and Gary Koehly deserve a pat on the back for their work in cleaning and maintaining the building. District maintenance workers have inspected and repaired all major equipment to ensure we will be working at our best once school starts.

Field Elementary welcomes Miss Lily Pyrtle to our staff as Elementary Librarian. Lily is Chillicothe alum that was previously working for the Trenton R-IX School District as their librarian. We are excited to have her join our staff!

Open House is scheduled for Tuesday, August 15<sup>th</sup> from 4:30-6:30PM. Stop by Dewey (K,1), Field (2,3), or Central (4,5) at this time to meet your child's teacher and visit the schools. This is also a perfect time to drop off school supplies. Our local retailers have supply lists for your convenience or you can visit the [district website](#). If you haven't had time to register your cell phone and sign up to receive Hornet Alerts you can also do that from our [district website](#). Once completed you will begin receiving important texts and updates regarding our schools.

The office is open and Mrs. Suzy Boon can assist you with back to school questions. To reach the school, please call 660-646-2909. Have a question about busing? You can reach Terry or Beth at the Bus Barn by calling 660-646-6309.

I look forward to seeing you on August 15<sup>th</sup> and I look forward to another great school year beginning on August 17<sup>th</sup>.

*\*Please note the first day of school will be a regular school day, 8:00-2:55.*

Preparing *every student* for a successful future!
